Motions of Congratulations, Recognitions, Sympathy, Condolences and Speedy Recovery

The consent of Council is requested for the **addition** of the following motions:

Motion of Recognition

1. Moved by Councillor Tozzo

Seconded by Councillor Ridge

That the Kingston City Council recognize October 6, 2023 as World Cerebral Palsy Day. A global movement that started in 2012, World Cerebral Palsy Day aims to bring together people living with cerebral palsy, their families, supporters and organizations in over 100 countries. Cerebral palsy is a physical disability that affects movement and posture, often including related vision, hearing, communication and mobility needs. According to Statistics Canada, the number of people living with cerebral palsy in Canada is expected to rise from more than 75,000 in 2011 to more than 94,000 in 2031. The City of Kingston shows its support to the families living with cerebral palsy and the organizations that support them.

Motion of Condolences

2. Moved by Mayor Paterson

Seconded by Deputy Mayor Stephen

That the sincere condolences of Kingston City Council be extended to Councillor Boehme, his siblings Amanda and Tyson, and their families for the passing of Anita Jean Pennell on September 27 after a courageous 18-month battle with cancer. A loving mother, adoring grandmother and a steadfast sister, Anita will be greatly missed by family, friends and colleagues. Retired from the Regional Assessment & Resource Centre at Queen's University, Anita loved to research her family genealogy, read metaphysical books and garden. In her passing, Anita conveys great gratitude and love to her support team for taking her to her appointments or being there when she needed loving people the most. We extend our deepest sympathies to Anita's entire family and all who knew her.
