Living a full life over the span of 104 years, Brit had an indescribable impact on the Kingston community through his generosity and philanthropic endeavours. Awarded multiple medals for his service during World War II, including a Military Cross, Brit was a respected lawyer for over 50 years, founded Homestead Land Holdings Limited, served as a member to several local organizations and was active in many charities. His humility and giving nature led to countless affordable housing and health care projects that helped individuals and families in the community. Our thoughts are with Brit's entire family, especially his daughter Sheila, his son Alexander, and his many grandchildren and great grandchildren.

**New Motions**

1. Moved by Mayor Paterson

**Whereas** instances of reported thefts of copper wire, including telecommunication wires, has increased dramatically over the last nine months resulting in over 60 reported thefts; and

**Whereas** these thefts are perpetrated for the high sale value of copper in salvage yards for cash; and

**Whereas** the rate of recidivism is high given that offenders are not often incarcerated for these crimes; and

**Whereas** the loss of services when offenders cut and remove wires creates a safety concern for residents who cannot contact emergency services or safeguard their properties with active alarm systems; and

**Whereas** there is a significant cost to the municipality, property owners and business owners to replace wire and repair damaged poles as well as a burden on police resources taking officers away from focusing on other investigations; and

**Whereas** the Ontario Court of Justice continues to experience an unprecedented backlog of cases as a result of the COVID-19 pandemic, resulting in the withdrawal or judicial staying of charges due to persons not being tried within a reasonable time; and

**New Motions (continued)**

**Whereas** there are several provinces that have enacted legislation to regulate the operation of salvage yards including the requirement to record information of individuals selling materials, reporting suspected stolen materials to police, and limiting cash transactions;

**Therefore Be It Resolved That** as part of the ongoing staff review of City of Kingston By-Law Number 2006-213, "A By-Law To License, Regulate And Govern Certain Businesses", Council direct staff to provide a system of licences with respect to salvage yard businesses; and

**That** Council direct Mayor Paterson to approach the Regional Mayors Council to discuss options to regulate salvage yard businesses throughout the region in an effort to diminish the profitability of the sale of stolen metals; and

**That** Kingston City Council further call on the Ontario Government to enact legislation that will regulate salvage yards to limit cash transactions and require strict record keeping to assist police in locating and prosecuting offenders; and

**That** Kingston City Council expresses its concern that the nature of copper wire theft is not treated more seriously by the Courts, which routinely grant bail to repeat offenders, given the serious implications these acts have on the safety of community members; and

**That** Kingston City Council call on the Ontario Government to invest more resources into the Ontario Court of Justice to prioritize public safety and to ensure that offenders are held accountable for the offences they commit; and

**That** a copy of this motion be sent to The Honourable Doug Ford, Premier of Ontario, The Honourable Doug Downey, Attorney General of Ontario, and The Honourable Paul Calandra, Minister of Municipal Affairs and Housing.
