Options/Discussion:

On November 21, 2023, Council considered and approved [Report Number 23-274](#) with respect to the 2024 Calendar of Meetings. In keeping with the City's commitment to continuing education, training and development, Council approved four special Council meetings for education and training purposes. This special meeting is the first in a series of four special Council meetings throughout 2024.

Paige Agnew, Commissioner, Growth & Development Services, will provide Council with an introduction to the Transportation Master Plan and Official Plan projects. Nadia Galati, Principal, and Casey Hinton, Senior Strategist, at SAFFY Inc. will lead an introductory engagement session for both projects.

Ian Semple, Director, Transportation & Transit and Christopher Norris, General Manager, Transit Services will provide Council with an overview of Kingston Transit. Jeff Casello, Professor, at the University of Waterloo, will speak to the development of the transit system in place today and discuss next steps to consider, particularly in the context of the Official Plan and Transportation Master Plan projects.
