The Report of the Commissioner of Community Services (HP-24-017) is attached.

Schedule Pages 1 – 40

Recommendation:

That alterations to the property at 73 Baiden Street be referred to the Director of Heritage Services for the issuance of final approval, in accordance with the details described in the application (P18-019-2024), which was deemed complete on March 1, 2024, with said alterations to include:

Southern Limestone Portion of the Building:

1. Repair/restore existing Period Windows and associated frames in a white colour;
2. Replacement of existing aluminum storm windows with wooden storm sash windows;
3. Repair existing decorative verge board and soffits/fascia;
4. Repair/redesign/enlarge the existing roofless south facing front porch by approximately 1.1 metres, not including the area of the stairs, in a style sympathetic to the building's heritage value;

Eastern Elevation of the Northern 1970s Addition:

1. Replacement of existing aluminum storm windows with wooden storm windows;
2. Replacement of two existing second floor modern windows with new modern windows in the eastern deck alcove;

3. Replacement of an existing door with a window in the eastern deck alcove;
4. Replacement of an existing window with a sliding door in the eastern deck alcove;
5. Replacement of existing siding in the eastern deck alcove with Maibec overlapping wood siding in a charcoal colour;
6. Replacement of the existing side yard deck with a new deck that is approximately three times the area, which will begin in the alcove and extend to the north of the property with an associated wood privacy fence on the southern deck boundary; and

That the approval of the application be subject to the following conditions:

1. That Heritage Planning staff review/approve the finalized southern (front) porch details to ensure the style/design is sympathetic to the building's heritage value;
2. Should property research discover the original porch design or a design from a suitable restoration period, that design will also be considered to be sympathetic to the building's heritage value, regardless of its size/orientation;
3. That Heritage Planning staff review/approve the finalized colour selection of the eastern elevation (side yard) deck and associated privacy fence prior to installation;
4. That Heritage Planning staff review/approve the finalized design of the privacy fence and eastern elevation (side yard) deck railing prior to installation;
5. All window works shall be completed in accordance with the City's Policy on Window Renovations in Heritage Buildings;
6. Should any Period Windows or transoms require replacement, the request shall be accompanied with a window assessment by a qualified professional for each related window in accordance with the existing Window Policy prior to their removal/replacement;
7. That all repairs to wooden features be done with like materials and match existing features in scale and profile;
8. All masonry works shall be completed in accordance with the City's Policy on Masonry Restoration in Heritage Buildings;

9. That an encroachment and/or temporary access permit be obtained, as necessary;
10. A tree permit shall be obtained, as necessary;
11. A Building Permit shall be obtained, as necessary;
12. That all *Planning Act* approvals are obtained, as necessary;
13. Heritage Services staff shall be circulated the drawings and design specifications tied to the Building Permit and/or *Planning Act* application for review and approval to ensure consistency with the scope of the Heritage Permit sought by this application; and
14. Any minor deviations from the submitted plans, which meet the intent of this approval and do not further impact the heritage attributes of the property, shall be delegated to the Director of Heritage Services for review and approval.
