Reports (continued)

Briefing

Paige Agnew, Commissioner, Growth & Development Services, introduced Laura Flaherty, Project Manager, Planning, and Ian Semple, Director, Transportation & Transit, who briefed Council on Clause 1 of Report Number 46: Received from the Chief Administrative Officer (Recommend) with respect to Kingston's Turning Point: A Growth Plan for Land Use and Transportation.

1. **Kingston's Turning Point: A Growth Plan for Land Use and Transportation, as Amended**

That Council endorse the following fundamental principles for the Official Plan (OP) and Integrated Mobility Plan (IMP) projects:

1. The OP and IMP must be visionary, bold, and strategic to guide the expected growth in a manner that meets the following seven critical public interests: Placemaking and Community Connections, Social Equity & Accessibility, Housing for All, Complete Communities & Economic Prosperity, Climate Change Mitigation, Protection and Enhancement of Natural Heritage Systems and Transportation for All Ages and Abilities;
2. Create fiscally responsible growth policies that prioritize housing growth within the existing built up/serviced area by accommodating the majority of growth through intensification of existing developed lands;
3. Ensure that all OP policies are fully integrated with the IMP, Utilities Kingston's Water & Wastewater Master Plan and City of Kingston Asset Management Plans;
4. The approach to managing the city's existing transportation demands and accommodate additional growth will need to be different than it was in the past, and built around a multi-modal transportation decision-making framework that considers more than just potential delay to motorists during peak travel periods;
5. Recognition that the City cannot expand roads to build its way out of traffic congestion, and that this approach is not in alignment with the City's climate, core asset management plan, health and wellness goals; and

That Council direct staff to review all applications for an Official Plan Amendment from private property owners requesting an expansion of the urban boundary as

Reports (continued)

part of the Official Plan (OP) project, the Integrated Mobility Plan (IMP) project and the Water and Wastewater Master Plan projects, with recommendations on such applications made at the same time as recommendations on the OP project as a whole to ensure efficient and holistic planning in a manner that does not impact the ambitious scope of the OP project and the IMP project, or the Water and Wastewater Master Plan project that will be informed by the growth recommendations of the OP project; and

That Council endorses the phased work plan, scope and key project elements of the Official Plan and Integrated Mobility Plan projects.

Whereas some residents have renovated and/or altered their properties to remove their reliance on natural gas but are still paying a service fee based on By-Law Number 2010-17, A By-Law to Impose Gas Rates; and

Whereas removing the gas infrastructure is not financially feasible for residents and is also not practical as it could impact future owners and/or future energy options/technologies;

Therefore Be It Resolved That any natural gas customer that has not consumed natural gas in a continuous 12-month period, and notified Utilities Kingston of this zero consumption, be given a refund of the previous 12 months' monthly service charge; and

That Council request that for each future billing the customer be given an offsetting monthly bill credit equal to the monthly service charge provided the customer continues to not consume any natural gas; and

That Council recognize that any aforementioned resident/customer is still subject to all by-laws, regulations, policies and standards affecting the natural gas distribution system save and except for the noted exemption herein; and

That Council request that Utilities Kingston reports back annually with information on number of properties impacted by this new initiative.

Seconded by Councillor Ridge

Whereas the Association of Municipalities of Ontario (AMO) is currently seeking nominations to their board of directors (2024 – 2026), and nominations need to be received by June 24, 2024; and

Whereas nominations to the AMO board are two-year terms and must be supported by a council motion which indicates the financial support of that council; and

Whereas the City of Kingston has benefited from having local representation on this important Ontario municipal board through Mayor Paterson since 2019 and prior to that Councillor Kevin George; and

Whereas part of this benefit to the City is that Mayor Paterson is also currently leading the AMO Municipal Finance and Economic Development Task Force to develop policy and advocacy positions that increase consideration of municipal interests in municipal finance, funding for municipal services and infrastructure, economics, labour market and skills development; and

Whereas this Task Force is also reviewing the current municipal fiscal framework including the evolving municipal-provincial fiscal relationship and areas for improvement;

Therefore Be It Resolved That the Kingston City Council nominate Mayor Bryan Paterson for re-election to the board of the Association of the Municipalities of Ontario as a member of the Large Urban Caucus; and

That the City of Kingston agrees to cover all travel related expenses for attending the AMO meetings.

Whereas Aaliyah Edwards, born and raised in Kingston, recently became the first Kingstonian drafted into the Women's National Basketball Association (WNBA), representing a significant achievement and source of pride for our community; and

Whereas Aaliyah's success serves as an inspiration to aspiring athletes in our community, highlighting the importance of hard work and resilience; and

Whereas recognizing Aaliyah's accomplishments through the establishment of a designated day will celebrate her achievements, promote the values of sportsmanship and athleticism, and foster community spirit;

Therefore Be It Resolved That notwithstanding the City of Kingston Proclamations Policy, Council proclaim Tuesday May 14, 2024, as Aaliyah Edwards Day in the City of Kingston in recognition of Aaliyah's upcoming regular season debut with the Washington Mystics of the Women's National Basketball Association.

Whereas the 2019-2022 City of Kingston Strategic Plan included a priority directing staff to examine the feasibility of fluoridating the drinking water; and

Whereas City staff conducted research, worked with KFL&A Public Health and Utilities Kingston as well as facilitated some engagement on the topic of fluoridation of the drinking water in 2019; and

Whereas work on this file was halted with the COVID-19 pandemic and was not included in the 2023-2026 City of Kingston Strategic Plan; and

Whereas KFL&A Public Health has continued to identify the lack of fluoride in the drinking water as a major health issue impacting the dental health of thousands of Kingston residents;

Therefore Be It Resolved That City staff be directed to present information on the feasibility of fluoridating the drinking water at a Special Meeting of Council to be held no later the end of Q4 2024.

Whereas Canada is facing a national crisis of housing affordability and increased demand for health and recovery support services for individuals experiencing mental health and addiction challenges; and

Whereas despite considerable financial contributions made toward capital and infrastructure projects by all three levels of government, there remains an unfulfilled demand for housing accompanied by social support services, as evidenced in Kingston by the Centralized Waiting List for social housing and the By-Name List of homeless individuals; and

Whereas the total costs associated with providing social and supportive housing are impacted by a broad range of factors including but not limited to the level of social services and supports needed by residents, and the kind, location, and type of housing; and

Whereas it is of interest to Council and the broader community to understand what the estimated total costs would be to address the total social, supportive and transitional housing need as currently identified in Kingston and its housing service area;

Therefore Be It Resolved That City Council direct Housing and Social Services Department staff to develop an estimated cost range for the total costs associated with the development and the ongoing operation of sufficient new social, supportive and transitional housing to house all individuals on the Centralized Waiting List for social housing and the By-Name List of those experiencing
