New Motions

1. Moved by Councillor Glenn

Seconded by Councillor Oosterhof

Whereas the City of Kingston voted to support Private Members Bill 5, Stopping Harassment and Abuse by Local Leaders Act in 2022; and

Whereas the City of Kingston voted on May 2, 2023 to support the call of the Association of Municipalities of Ontario (AMO) for the Government of Ontario to introduce legislation to strengthen municipal Codes of Conduct and compliance with them in consultation with municipalities; and

Whereas on May 31, 2023 Bill 5, Stopping Abuse and Harassment by Local Leaders Act did not pass the second reading; and

Whereas a new Minister of Municipal Affairs and Housing, Paul Calandra was appointed on September 4, 2023; and

Whereas the City of Toronto's Integrity Commissioner's report of October 11, 2023 regarding the *City of Toronto Act, 2006* stated:

“When the public trust is breached, someone should be removed from office. Under the Municipal Elections Act, 1996 someone can automatically be removed for late filings or failing to file accurate financial statements. Under the Municipal Conflict of Interest Act, a judge may declare a member of Council's seat vacant, order financial restitution, suspend pay or order a reprimand for a member who acts improperly by furthering their own pecuniary interests. Harassment and discrimination in the workplace is a similar breach of the public trust.

Ontario's Human Rights Code includes protections against harassment and discrimination in the workplace. The Occupational Health and Safety Act requires employers to address harassment in their workplaces. This legislation, however, does not provide any effective sanctions against elected officials. Unlike managers and employees in the workplace, a Member of Council cannot be dismissed if they are found to have harassed or discriminated against others in the workplace.”; and

New Motions (continued)

Whereas on October 11, 2023, the City of Toronto voted to support the Integrity Commissioners' recommendations for the *City of Toronto Act, 2006*, with amendments;

Whereas a fundamental, underlying principle of broadening diversity, equity and inclusion in politics rests on the assumption that the workplace is safe; and

Whereas we believe that municipal elected officials should be accountable in this way, as should federal and provincial elected officials; and

Whereas municipal governments do not have the necessary tools to adequately enforce compliance with municipal Codes of Conduct;

Therefore Be It Resolved That the Kingston City Council reaffirms their support for the AMO's recommendations to the Minister of Municipal Affairs and Housing, Paul Calandra; and

That Kingston City Council support for consideration to changes to the *Municipal Elections Act, 2006* and the *Municipal Act, 2001* the following recommendations from the City of Toronto's Integrity Commissioner report, for the *City of Toronto Act, 2006*:

- a. Members of Council, their staff, and members of local boards should have mandatory training in workplace anti-harassment/discrimination requirements.
- b. There should be a duty for Members of Council, their staff, and members of local boards to report harassment/discrimination in the workplace.
- c. An appropriate range of penalties should apply when someone has been found to have engaged in harassment/discrimination in the workplace.
- d. Remedial measures and supports should be available and the interests of complainants must be accommodated in a trauma-informed process.
- e. Appropriate support and indemnification should be provided to Members of Council, their staff, and members of local boards.
- f. Workplace harassment/discrimination complaints should be investigated in a fair, efficient and independent manner.

City Council Meeting Number 15-2024

Minutes

Tuesday, May 21, 2024

New Motions (continued)

- g. Workplace harassment/discrimination cases should be heard, and have penalties, if any, imposed by a court or administrative tribunal. These cases should not be debated and decided at Council.;

That a copy of this motion be sent to the Honourable Doug Ford, M.P.P. Premier of Ontario, the Honourable Paul Calandra, Minister of Municipal Affairs and Housing, Ted Hsu M.P.P. Kingston and the Islands, John Jordan M.P.P. Lanark-Frontenac-Kingston, and the Association of Municipalities of Ontario.

Whereas the City of Kingston's population has been growing at a rapid rate and has an increasing number of newcomers with various cultural backgrounds; and

Whereas the City of Kingston is committed to supporting emerging community organizations representing various ethnic groups and cultural diversity; and

Whereas the City of Kingston has a process for community organizations to request fee waivers, but this process requires organizations to be established not-for-profits and allows for only one fee waiver request per organization per year to a maximum value of \$2,500, conditions that discourage the use of City facilities to support repeat meetings by emerging community organizations; and

Whereas the City of Kingston has some underutilized meeting spaces within its recreation facilities, particularly at several community arenas and over the winter months at Portsmouth Olympic Harbour which will be undergoing a visioning exercise in 2024-2025;

New Motions (continued)

Therefore Be It Resolved That staff in Community Development and Wellbeing and Recreation and Leisure Services be directed to coordinate on the development of a two-year pilot program that would allow emerging ethno-cultural community organizations to access select available and underutilized meeting room space(s) within City Recreation Facilities with the intent to build community capacity and to formalize themselves as community ethno-cultural organizations; and

That notwithstanding the City of Kingston Waiver of Fees Policy, that the fees and conditions associated with using available and underutilized meeting room space(s) within City Recreation Facilities be waived when booked by emerging ethno-cultural community organizations for the two-year pilot program; and

That staff report back with information on the emerging ethno-cultural community spaces pilot program by the end of 2024.

Whereas the continued growth in Kingston is causing increased speeding and traffic on previously calm streets; and
