23. **New Motions**

1. **Proposed Provincial Restrictions on Cycling Lanes**

Moved by: Councillor Tozzo

Seconded by: Councillor Cinanni

Whereas the Government of Ontario has announced it will introduce legislation that would require municipalities to receive approval from the province before the installation of new cycling lanes that would result in the removal of lanes for vehicle traffic; and

Whereas as part of this approval municipalities would be required to demonstrate that the proposed cycling lanes will not have a negative impact on vehicle traffic; and

Whereas cycling lanes are an essential element of urban transportation and road safety planning, and requiring provincial approval represents a significant overreach into municipal jurisdiction; and

Whereas the Kingston 2023 – 2026 Strategic Plan includes a priority to Build an Active and Connected Community with a goal (3.3.2) to prioritize pedestrian connections and dedicated cycling lanes; and

Whereas the Association of Municipalities of Ontario is urging the province to respect local decision-making when considering transportation improvements;

Therefore Be It Resolved That Council expresses its support with the Association of Municipalities of Ontario for maintaining municipal jurisdiction with respect the installation of cycling lanes; and

That a copy of this motion be sent to The Honourable M.P.P. Premier of Ontario Doug Ford, The Honorable M.P.P. Prabmeet Singh Sarkaria, Minister of Transportation, M.P.P. Ted Hsu, Kingston and the Islands, M.P.P. John Jordan, Lanark-Frontenac-Kingston, the Association of Municipalities of Ontario and the Kingston Coalition for Active Transportation.

2. Rural Economic Development Grant Program

Moved by: Councillor Oosterhof

Seconded by: Councillor Amos

Whereas the City of Kingston is home to a considerable amount of rural land (83% of total land base) that significantly contributes to the local economy through agriculture, tourism, rural businesses, and neighbourhoods; and

Whereas the Rural Economic Development (RED) Grant Program from the Ministry of Agriculture, Food and Agribusiness and Ministry of Rural Affairs provides crucial annual funding to support economic growth and job creation in rural areas; and

Whereas cities with large rural components face similar economic challenges as rural municipalities, such as the need for infrastructure improvements, support for small businesses and communities, and rural development strategies; and

Whereas the current eligibility criteria for the RED Grant Program does not adequately account for urban-rural hybrid cities like Kingston, Ottawa, or Hamilton where rural areas face distinct challenges that can benefit from such provincial funding; and

Whereas RED Grant Program guidelines defines “Rural Ontario” as all Statistics Canada census subdivisions (including lower-tier and single-tier municipalities) that either have a population of less than 100,000 people, or have a population density of 100 people per square kilometer or less, as identified in the most recent Statistics Canada Census of Canadian Population, which excludes Kingston; and

Whereas M.P.P. Ted Hsu, Kingston & the Islands has expressed support for broadening the eligibility of the RED Grant Program to include cities with significant rural lands;

Therefore Be It Resolved That the Kingston City Council strongly support M.P.P. Hsu’s efforts to advocate for changes in the eligibility criteria of the RED Grant Program to allow cities like Kingston, with substantial rural land, to apply and benefit from this important funding stream; and

That a copy of this motion be shared with The Honourable M.P.P. Premier of Ontario Doug Ford, the Honourable M.P.P. Rob Flack, Minister of Agriculture, Food and Agribusiness, the Honourable M.P.P. Lisa M. Thompson, Minister of Rural Affairs, M.P.P Ted Hsu, Kingston & the Islands, M.P.P. John Jordan, Lanark-Frontenac-Kingston, and the neighbouring municipalities of Loyalist Township, South Frontenac Township, and the Township of Leeds and the Thousand Islands.
