New Motions

1. Moved by Councillor Boehme

Seconded by Mayor Paterson

Whereas Council approved the draft plan of subdivision for 998 Highway 15 (D35-002-2021) on September 20, 2022, which contained a condition requiring the owner to design and construct a signaled intersection at Highway 15 and Street A as part of the first phase of the development;

Whereas the Highway 15 Municipal Class Environmental Assessment (Class EA) that was paused in March 2020 had not yet evaluated the appropriate intersection design for the 998 Highway 15 subdivision, including whether a roundabout would be feasible in lieu of a signaled intersection;

Whereas the City intends to restart and complete the Class EA now that the Waaban Crossing is complete;

Whereas the construction of the signaled intersection at the subdivision entrance is not required until build-out of the subdivision development, which is anticipated to occur after completion of the Class EA;

New Motions (continued)

Whereas the City's Transportation Services Department and the Owner are agreeable to the City assuming responsibility for the design and construction of the intersection improvements at Highway 15 and Street A in accordance with the recommendations of the Class EA, subject to the Owner making a financial contribution equivalent to the cost of constructing the signaled intersection that was contemplated in the original conditions of draft plan approval;

Whereas subsection 51(44) of the Planning Act states that the approval authority may change the conditions of a draft plan of subdivision approval at any time before the approval of the final plan of subdivision;

Therefore Be It Resolved That the Notice of Decision of Application for Approval of Draft Plan of Subdivision for 998 Highway 15 (D35-002-2021) is hereby amended by deleting conditions 10(b) and (c) of the conditions of draft plan approval and replacing them with the following:

- "(b) Prior to Final Plan Approval, the Owner shall pay to the City, by certified cheque or bank draft, an amount equivalent to the cost of constructing a signaled intersection at Highway 15 and Street A, as determined by the City's third-party engineer (the "Owner's Contribution"), to be applied toward the City's cost of designing and installing intersection improvements at Highway 15 and Street A, it being acknowledged by the Owner that the intersection design will be determined by the City based on the recommendations of the Highway 15 Municipal Class Environmental Assessment, which may include a signaled intersection, a roundabout, or such other design determined by the City. The parties agree that the Owner's Contribution will not exceed the sum of \$375,000.00 plus HST.
- (c) The Owner may proceed to construction via a Pre-Servicing Agreement once on-site engineering drawings are approved, regardless of the status of the Highway 15 intersection design and/or Highway 15 Municipal Class Environmental Assessment. The City will not delay the issuance and approval of the Pre-Servicing Agreement or Final Approval of the Subdivision Agreement or issuance of preliminary certificate of underground services (PCAUS) while the final intersection and Highway 15 design are determined per clause 10(b). In the interim, while the City undertakes the Highway 15 and Street A intersection design, Street A will terminate at the existing

Whereas the homeless crisis is taking a devastating toll on families and communities, undermining a healthy and prosperous Ontario; and

Whereas the homelessness crisis is the result of the underinvestment and poor policy choices of successive provincial governments; and

Whereas the City of Kingston recently declared a mental health and addictions crisis asking the province to intervene with investment and coordinated resources; and

Whereas the City has not had a response to our declaration and AMO is launching an advocacy campaign to get municipalities to pass local motions to ask the province to a coordinated, funded approach; and

Whereas homelessness requires a range of housing, social service and health solutions from government beyond the scope of municipal governments; and

City Council Meeting Number 11-2023

New Motions (continued)

Whereas homelessness is felt most at the level of local government and the residents that they serve; and

Whereas municipalities are doing their part, but do not have the resources, capacity or tools to address the complexity of health care people need; and

Whereas leadership and urgent action is needed from the provincial government on an emergency basis to develop, resource, and implement a comprehensive plan to prevent, reduce and ultimately end homelessness in Ontario.

Therefore Be It Resolved That the City of Kingston calls on the Provincial Government to urgently:

- a. Acknowledge that homelessness in Ontario is a social, economic, and health crisis;
- b. Commit to ending homelessness in Ontario;
- c. Work with AMO and a broad range of community, health, Indigenous and economic partners to develop, resource, and implement an action plan to achieve this goal; and

That a copy of this motion be sent to the Minister of Municipal Affairs and Housing; the Minister of Children, Community and Social Services; the Minister of Health; and to the Association of Municipalities of Ontario.

Whereas the municipalities of Guelph, Windsor, the entire Greater Toronto Area, Belleville, Hamilton, London and Ottawa, among others, provide time limited free parking for vehicles with Accessible Parking passes; and

Whereas the City of Kingston aims to be barrier free for persons with disabilities; and

Whereas parking fees often pose an additional barrier to persons with disabilities participation in society;

Therefore Be It Resolved That staff report to the Municipal Accessibility Advisory Committee with recommendations for time limited free parking for vehicles with accessibility passes to align with other municipalities in Ontario and a review of parking fines for vehicles parked illegally in accessible parking spaces by the end of Q2 2023.

Whereas there are currently no camping options for recreation vehicles within the urban boundary of the City of Kingston; and

Whereas the City of Kingston operated a campground at Lake Ontario Park for many years until 2005; and

Whereas the City of Kingston recently operated a pilot project providing camping options for active transportation at Lake Ontario Park; and

Whereas the City of Kingston still provides event camping options for recreation vehicles at Lake Ontario Park with appropriate servicing;

Therefore Be It Resolved That Council direct staff to report back to Arts, Recreation & Community Policies Committee by Q2 2024 with information on options to provide seasonal camping opportunities for recreation vehicles (RV) at Lake Ontario Park.

Whereas the City of Kingston has acknowledged that there is an affordable housing shortage; and

Whereas a growing Kingston needs to increase its housing supply on all levels; and

Whereas at this moment federal and provincial funds are abundant for non-profit housing starts; and

Whereas a City and community non-profit partnerships better facilitate access to federal and provincial funds; and

Whereas housing co-ops meet these requirements and provide many additional benefits to the community; and

Whereas Limestone City Co-operative Housing is an organization with the goal of providing housing to members on a co-operative basis;

Therefore Be It Resolved That Council approves the appointment of a member of Council to the board of directors of Limestone City Co-operative Housing Inc. effective upon its incorporation and further approves the inclusion of such an office in the by-laws of Limestone City Co-operative Housing Inc.; and

That Council further approves, upon such incorporation of Limestone City Co-operative Housing Inc., the appointment of Councillor Jeff McLaren for the term of Council as the initial appointee to serve as municipal representative on its board of directors.
