4. Repaint the building in a grey tone;

Details of the Proposed Addition:

1. Construction of a two-storey addition approximately 0.5 metres lower in height than the existing roof ridgeline of the original portion of the property, located in the rear and side yards, that step down to a one-storey addition deeper into the property;
2. The addition will feature a galvanized sheet steel roof like the existing, prefinished wood siding with the same/similar dimensions as the existing and a similar but different grey tone to the original portion of the building;
3. The addition will include two new covered wood porches with associated doors along the east and north of the building as well as historically appropriate and modern window systems/trim on the north elevation;
4. The addition will include two elongated rectangular aluminum clad wood sash windows with flat window surrounds on the west elevation visible to the public realm;
5. All but two windows visible to the public realm in the new addition will be rectangular aluminum clad wood sash windows with simulated divided lites and flat window surrounds; and

That the approval of the application is subject to the conditions outlined in Exhibit A to Report Number HP-25-001.

22. New Motions

1. Declaring Food Insecurity an Emergency in Kingston

Resolution Number: 2025-53

Moved by: Councillor Tozzo

Seconded by: Deputy Mayor Ridge

Whereas food insecurity is defined as the inadequate or insecure access to food due to financial constraints, a marker of pervasive material deprivation (poverty), and posing a serious public health problem because of its association with higher rates of numerous diseases and chronic health conditions and a higher risk of early death; and

Whereas chronic stressors like disability, precarious work, and/or the cost-of-living crisis, and acute shocks like COVID-19, illness or eviction, make it more difficult to afford life's basic needs and live free from poverty; and

Whereas current social assistance rates are woefully inadequate, making it impossible to afford a healthy diet; and

Whereas KFL&A Public Health estimates that about 1 in 3 households are food insecure; and

Whereas the City of Kingston has committed to addressing food insecurity through initiatives such as financial support for the expansion of a new building for the St. Vincent de Paul Society, partnering with Lionhearts Inc.'s Fresh Food Market Pop-Ups, and establishing a Fines for Food pilot program; and

Whereas Ontario nonprofits, including food banks, are collectively experiencing stagnant and declining resources amidst climbing demand, and increased reserve use;

Therefore Be It Resolved That Kingston City Council declare food insecurity an emergency in Kingston; and

That Council request the Provincial Government immediately increase its base funding to existing school food programs and increase its financial commitment to enable the expansion of school food programs to additional schools to build a universal school food program; and

That Council request the Provincial Government immediately raise social assistance rates to meet life's basic needs; and

That Council request the Provincial and Federal Governments act to address the causes of food insecurity by establishing a Guaranteed Liveable Basic Income; and

That Council request that the Provincial and Federal Governments include the reduction of food insecurity as a component of all appropriate government policies; and

That Council request that all major federal and provincial political parties address food insecurity as a component of their respective party platforms; and

That a copy of this motion be shared with The Right Honorable Justin Trudeau, P.C., M.P., Prime Minister of Canada, the Honorable M.P.P. Doug Ford Premier of Ontario, M.P. Mark Gerretsen, Kingston and the Islands, M.P. Scott Reid, Lanark-Frontenac-Kingston, M.P.P. Ted Hsu, Kingston & the Islands, M.P.P. John Jordan, Lanark-Frontenac-Kingston, M.P.
