

CITY OF KINGSTON

Proclamation

Green Shirt Day & Be a Donor Month

April 7, 2025 and April 2025

Whereas Green Shirt Day is observed to honour and recognize Logan Boulet (who gave the gift of life to 6 others through organ donation) as well as all the other victims, survivors, and families of the deadly Humbolt Broncos bus crash in April 2018, and is an integral part of the larger BeADonor month activities; and

Whereas local Transplant Advocate Association (TAA) volunteers are dedicated to creating awareness throughout local communities, of the need for organ & tissue donation, and to supporting both pre- and post-transplant recipients, donors, and their families; and

Whereas Logan's gifts inspired thousands of people to register, however, despite the increased number of donors, many Canadians still need organ or tissue transplants and many die waiting each year; and

Whereas the TAA, in partnership with the Trillium Gift of Life Network, and the Canadian Transplant Association, continue to carry on Logan's legacy by encouraging people to register consent to be an organ and tissue donor, and discuss their wishes with family.

Therefore, I, Mayor Bryan Paterson, on behalf of Kingston City Council, hereby proclaim April 7, 2025 as "Green Shirt Day" and the month of April 2025 as "Be a Donor Month" in the City of Kingston.

Dated at Kingston this 19th day of March, 2025.

Bryan Paterson
Mayor
